Review Summary:

As part of the annual Scenarios USA “What the REAL DEAL” writing contest, a young woman wrote **Bitter Memories**. The video depicts a young man who grows up watching his father abuse his mother. Because of the violence the young man witnesses, he is forced to confront the violent tendencies within himself. According to Scenarios USA, **Bitter Memories** examines masculinity by addressing responsibility, relationships and the cycle of domestic violence. The video can be viewed online and lesson plans can be downloaded for free online.

The panel **recommends with reservations** **Bitter Memories** for the following reasons:

- This resource necessitates an experienced and strong facilitator, who is competent to discuss all issues related to the video and familiar with the audience.
- Realistic setting, story line and excellent actors. Resource is up-to-date.

The panel has concerns about the following elements of **Bitter Memories**:

- Study guide and video do not relate well with one another.
- Video could perpetuate negative stereotypes.
- Resource should be used in addition to other material and not as a stand alone piece.

Overall, the panel **recommends with reservations** **Bitter Memories** for use as a sexuality education resource. One panel member said of **Bitter Memories**, “this is the best Scenarios video we’ve even seen...video and production quality are fab.”
